**The Slovak Metropolis
of Bratislava**

3 Days / 2 Nights

from € 59 pp in DBL
3* Hotel

April-October 2011

Bratislava, the capital of Slovakia, is located in the heart of Europe, directly at the border to Austria and Hungary, and is only 60 km from Vienna. Bratislava, formerly also known as Pressburg, is a city with a long history. The border of the Roman Empire ran through this city, and the old Slavs also lived here. But the prime-age of this city began in the 16th century, when it became the main coronation city of Hungary as well as the domicile of the Archbishop. The European nobility built palaces, Mozart, Haydn and Beethoven gave concerts here....

Fortunately, the city was hardly affected by wars, and therefore nowadays lets you admire its beautifully renovated city centre: picturesque baroque palaces, fountains, gothic churches, roman lanes and one of the most beautiful old squares in Central Europe. Pressburg has always been a cosmopolitan city, and it still has this vibe now. The city centre is one huge restaurant, cafe, bar, Pub and Club. Art lovers will also get their money's worth. The opera and the ballet of the National Theatre are well renowned. For sportive visitors the city offers many parks and playgrounds. One can take romantic walks through town or a hike through the Železná Studienka or Koliba - there's something for everybody here in Bratislava.

The Package Price includes:

- 2 x nights BB in a 3* Hotel in Bratislava
- City Tour of Bratislava with English speaking guide (3 hrs, no entrance fees)
